

## THE DUAL SYSTEM ADOPTED.

Meeting of the Harris County Democratic Executive Committee.

## DAY PRIMARIES FOR COUNTY OFFICERS

To Be Held July 7—A County Convention to Be Held May 10 to Select Delegates to Various Other Conventions—The Liberal Test Adopted.

The Harris county democratic executive committee has adopted what is known as the dual system, that is, an adherence to the old style of night primaries and a convention for the purpose of selecting delegates to the various other conventions in which Harris county is allowed representation, and day primaries for the purpose of nominating candidates for county and precinct officers.

The primaries to elect delegates to the county convention are to be held on May 10, to be followed by the convention on May 12.

The day primaries to nominate county officers is fixed for July 7.

The convention also adopted the liberal test, that all white democrats be permitted to vote at primaries, simply upon pledging himself to abide result of same.

The Harris county democratic executive committee met at 11 o'clock yesterday morning in the city council chamber, with the following members present on the agenda:

First ward, L. Sonnen; Second ward, Spencer Hutchins; Third ward, B. R. Latham and P. S. Bannor; Fourth ward, T. J. Baker; Fifth ward, Sampson Lyles and W. J. Kavanaugh; Sixth ward, J. S. Heiser; White Oak, August Wulfsberg; Hillside, A. Hillenstahl; East Houston, W. C. Teal; Morse School House, C. C. Morze; Harrisburg, C. H. Milby; Pierce Junction, E. R. Taylor; Cedar Bayou, R. Hoskins; Seabrook, Ed. Palm; Crosby, John Johnson; Huffman, S. H. Singleton; Spring, J. C. Sellers; Eckerts, J. W. Hubson; Bear Creek, William Schultz; Cypress Top, Henry Hart; Chaneyville, F. S. Nolan; Newman, C. S. Newman; South Houston, M. A. Grant; North Houston, S. T. Sykes; West Houston, John Ritter; Pasadena, E. R. Brown; Deep Water, R. M. Guina; Genoa, H. M. Garry; Alameda, J. A. Harris; Westcott, R. C. Blackwell; Brunner, J. L. Dickson; Houston Heights, W. O. Love.

Chairman Hutchins in calling the committee together announced that he had called the committee to consider the various matters which had been brought before them in the way of calling the different conventions or primaries and fixing the dates for the various events.

Mr. Hutchins then called Mr. Heiser to the chair, and upon the floor he said he had some suggestions to make. He said he had talked with a number of the members of the committee, candidates and others and as a result of this conference on his part and to get something before the committee he submitted the following resolutions:

Be it resolved by the democratic executive committee of Harris county, Texas, That the chairman of this committee be, and he is hereby instructed to call the primary meetings or conventions of the democratic voters of Harris county, to be held in each of the voting precincts of said county on Saturday, May 7, 1898, for the purpose of electing delegates to the county convention to be held in the city of Houston on Tuesday, May 10, 1898, for the purpose of electing delegates to the following State and district conventions, to-wit: First, the state convention to be held in the city of Galveston on the day of August, 1898; second, State judicial convention for the purpose of nominating a candidate for associate justice of the supreme court, to be held in the city of Galveston on the day of August, 1898; third, to the judicial convention for the first supreme judicial district to nominate a candidate for associate justice of the court of civil appeals for the first district, fourth, to the congressional convention for the first congressional district, fifth, to the judicial district convention for the purpose of nominating a candidate for district attorney for Galveston and Harris counties.

Be it resolved by the democratic executive committee of Harris county, Texas, That the chairman of this committee be, and he is hereby instructed to call the primary meetings or conventions of the democratic voters of Harris county, to be held in each of the voting precincts of said county, to-wit: District judge of the Fifth judicial district, two representatives to the Texas State Sixth legislative county, judge, district clerk, sheriff, tax collector, county attorney, county clerk, county superintendent of public schools and county surveyor. Said primary elections shall also nominate candidates for the various commissioners and justice precinct officers, to-wit: One county commissioner for each of the four commissioners precincts in said county, two justices of the peace and one constable for justice precinct No. 1, and one justice of the peace and one constable for each of the remaining justice precincts in said county, and members of the democratic executive committee. Such primary elections to be conducted in accordance with such regulations as this committee may prescribe.

Mr. Dickson amended that the primaries to select county officers be fixed for the first Tuesday in August.

Mr. Charles Milby said the resolution contained too much subject matter to be voted upon in its entirety. He thought that the chairman or the member from each precinct knew best the best and most appropriate time for holding the meetings in their respective precincts and should be allowed that privilege.

Mr. Sampson Lyles remarked June 7 is too early to hold the county primaries. He gave the opposition too much time to get in their work. He thought August or even September would be the better time for the county primaries. He had no objection to the convention counties being called in May.

Mr. W. O. Love believed in maintaining strict party discipline. He thought this committee should fix the date for holding the primaries, to-wit: August 7, 1898. He thought that the chairman or the member from each precinct knew best the best and most appropriate time for holding the meetings in their respective precincts and should be allowed that privilege.

Mr. Marshall Tankersley wanted to amend the resolution, but was ruled out of order. He said he wanted to amend the resolution to read: "Be it resolved by the democratic executive committee of Harris county, Texas, That the chairman of this committee be, and he is hereby instructed to call the primary meetings or conventions of the democratic voters of Harris county, to be held in each of the voting precincts of said county, to-wit: District judge of the Fifth judicial district, two representatives to the Texas State Sixth legislative county, judge, district clerk, sheriff, tax collector, county attorney, county clerk, county superintendent of public schools and county surveyor. Such primary elections to be conducted in accordance with such regulations as this committee may prescribe."

The first resolution providing for primary elections in May to select delegates to the congressional convention, State, congressional, district, etc., was put.

Woolley-Wellis.  
On last Tuesday evening the residence of Mr. and Mrs. J. T. Wells was the scene of a pretty and quiet wedding, the bride being Miss Jewel, their eldest daughter, and the groom Mr. Walter T. Woolley. Both the bride and groom were well known in Houston. The attendants were Miss Bertha Knobel and Mr. Joe Wells, brother of the bride. The bride was attired in a beautiful white dress with ribbon, velvet and lace trimmings. Miss Knobel, the bridesmaid, was dressed in a blue organdy with lace and ribbon trimmings.

The ceremony was performed by Dr. Leavelle, pastor of the first Presbyterian church, at Harrisburg.

It was a beautiful spring wedding, the house being a bower of roses, palms and ferns. In the parlor and dining room the exquisite taste charmed the guests. The table was draped in white and was brightened by a broad silver band of pink ribbon running diagonally across. In the center was a tray of pink roses and at each corner a bouquet of pink roses tied with white ribbon. The refreshments were served throughout the evening in a most delicate and refined manner. The bride and groom were the life of the party, and the evening was a most enjoyable one.
